STRATHEARN GAIT

Crieff

In a rural yet accessible area of beautiful Perthshire, welcome to our brand new Crieff development Strathearn Gait.

Enjoy a contemporary new build property in a traditional market town, with stunning Perthshire views and world-beating Scottish landscapes.

Featuring an incredible collection of aspirational, 2 - 5 bedroom new build houses, our Crieff development allows you to make the most of rural Scottish life, whilst being connected to major cities and areas.

OUT & ABOUT

Crieff is a quintessentially Scottish town, full of life and surrounded by awe-inspiring Perthshire scenery. And whilst Crieff is a traditional market town, there's lots to do in this friendly community.

Local amenities on your doorstep include the new Strathearn Community Campus with swimming and gym facilities. Within the Campus are the new primary and secondary schools, along with Morrisons Academy, providing private education, located north of the High Street. To the north of the town is Crieff golf course and Crieff Hydro Hotel, and the Glenturret Distillery is also just a couple of miles outside of the town.

And finally, Crieff High Street is a short stroll up the road, and you will also benefit from local supermarkets, luscious green spaces, and serenity stretching for miles around.

DISCOVER CRIEFF & BEYOND

While Crieff is rural, it's far from disconnected, and our new development in the heart of Crieff is situated just 18 miles from Perth.

The perfect blend of heritage and modernity with lots of restaurants, cafes, clothing stores, and amenities, Crieff is therefore only 35 minutes from the gateway to The Highlands, and is also accessible from Edinburgh, Stirling, and Glasgow.

This means easy access to major cities and The Highlands, all from the tranquillity of your beautiful new build home in the idyllic Perthshire countryside.

REASONS TO BUY A CHAMPION HOME

Modern building standards – we invest time and resource to take your new home to beyond industry standards of construction, design & energy efficiency

Brand new home – no months of DIY after you take possession - just move in and enjoy life. Furthermore, personalise your new home with the latest trends at our exclusive Choices Suite.

Designed to suit your lifestyle – we offer a variety of house styles to provide flexible usable space to fit in with the way you live your life.

Safe and secure – our homes provide ventilation, sound insulation, electrical system, gas supply and fire safety which are all designed to meet current Building Standards. So, rest assured you and your loved ones are safe and secure.

High specification – so much is included in the price, such as a high quality, fitted kitchen, appliances from leading manufacturers, cloakrooms, en-suites and bathrooms.

Energy efficient homes – significant financial savings every year - that is a huge benefit of buying a new home! On average new homes built today are 65% more energy efficient than a Victorian home of the same style*. This is achieved through a combination of design and the modern materials available. For example, installing boilers that only give you hot water when you need it, fitting modern double glazing throughout, using quality insulation in the roof and walls.

Your guarantees – your Champion home comes with the reassurance of the National House Builders Council (NHBC) guarantee. The standards are exacting, and detailed. NHBC inspections take place as your new home is being built. Second-hand homes put the burden of repairs on you – the buyer!

Building new communities - our locations and designs make the most of streetscapes and landscape areas, lending instant kerb appeal and a sense of place. The result is a neighbourhood where you will instantly feel welcome.

The personal touch – we will keep in touch with you at every step of your build so you will always know the progress of your new home. Our site team will personally make sure all aspects of your new home are built to our high standards and that its examined by the NHBC at key stages.
